

Colorado Scientific Society

Special Event – CSS Family Night at the Museum

Sunday, Oct. 21, 2018, 4 to 6 p.m.

Colorado School of Mines Geology Museum
1310 Maple St. (Maple & 13th Streets), Golden

(weekend parking is free on campus & Golden city streets)

Please come join us at this special Open House & Family Night at the CSM Museum!

Hosted by the Colorado Scientific Society and courtesy of the Museum. We'll have complimentary refreshments (pizza and other food, snacks, treats, non-alcoholic drinks *and* beer from the Golden City Brewery) for everyone. In addition to all the regular features of the museum, there will be some special activities--a mineral & rock scavenger hunt/treasure hunt—one for kids and one for adults. Bring your family, friends, and guests!

Regular Sunday hours of the museum are 1 to 4 p.m. Come early if you like too; our CSS event will begin when the regular museum visitors leave. Some of the special features *always* at the museum include:

Mineral, rock, geology, and fossil displays

New changing mineral displays every year

Displays focusing on Colorado's mining districts

Gold and silver (and platinum!) displays

Miss Colorado crown, and a silver pitcher and platter made of Colorado silver

Colorado State Rock, Mineral, and Gemstone (Marble, Rhodochrosite, Aquamarine)

Amazonite, Smoky Quartz, and Topaz from the Pikes Peak region

Meteorite displays, plus Apollo 15 and 17 Moon Rocks

The Mine Tunnel, including a Fluorescent Mineral Display

Rare-Earth and Critical Minerals Display

The 1939 Irwin Hoffman murals depicting mining throughout history

The Museum Gift Shop

A display of "Minerals of the Early Solar System"!
